

## Lost Boys and Their FAILURE TO LAUNCH! AND MORE!

Keynote Presented by : Larry Griffin

**Boys are plagued with a variety of problems in school.**

Larry Griffin will help you understand where these problems stem from and how to understand this generation of males. He will speak about 5 factors that have direct influence on behaviors: changes in education, video games, prescription drugs, endocrine disruptors and a lack of male role models.

Larry is an eloquent speaker and draws from his vast experience in early education to make his presentations, keynotes and trainings entertaining and relevant.

Mr. Griffin, a National Education Consultant will offer a full day of practical training and strategies for dealing with issues pertaining to and involving boys and challenging behaviors.
