

Inclusion/Special Need Resource:

Greta Hock, Inclusion Specialist for Okaloosa Walton Child Care Services promotes ongoing inclusion of all children in Florida's child care and early education network. She offers a variety of assistance to staff both in centers and family care homes. This includes: providing information on how to include children with special needs; on-site support; training; consultation; technical assistance; referrals and resources.

Technical assistance is available in a variety of ways (e.g. e-mail, telephone, materials distribution, on-site consultations.) She can be contacted through **OWCCS' local WARM-LINE phone number (850) 833-9330, ext. #222** or email: ghock@owccs.org Please feel free to contact Greta for assistance or if you just have a question to ask. She has many **resources** to share and **trainings** on a wide variety of topics; strategies; varied disabilities, information and referrals; child development and special needs concerns; the American with Disabilities Act (ADA); linkages to community resources; and collaborating with families/family support.

Do not hesitate to contact **Greta Hock**, as she is more than willing to assist you and staff in delivering the best services for **ALL our children!**
